

Dear Prospective Member,

Thank you for your interest in York Downs. We are a member owned Club that caters to the dedicated golfer, but adds many social golf-related events that are fun for the whole family. We are pleased to offer a very competitive membership initiative for the 2010 golfing season.

Trial Membership

York Downs is offering a Trial Membership Category. This option will give potential new members an opportunity to fully experience all the benefits of York Downs before they convert to a full membership. The cost for this category is a \$1000 non-refundable deposit plus the regular Annual Dues and Food & Beverage Fee for the Full Resident or Resident membership category (approximately \$4690).

Full Membership

The following Entrance Fee plan will apply to applicants who join as a full member or convert from a trial membership in 2010.

Entrance Fee Plan:			
Primary Member	\$30,000	or	6 installments of \$5,500
Spousal Member	\$15,000	or	6 installments of \$2,750

The \$1000 deposit paid by trial members will be applied to the amounts shown above. Please contact me at 905-477-3105 or mstubbs@yorkdowns.com for further details.

Yours truly,
