2 Joint Tenants with Right of Survivorship

If there is more than one new holder, check the box on the front if you want your registration to be Joint Tenants with Right of Survivorship (not applicable to residents of Quebec or Louisiana). Under this registration, in the event of the death of one of the registered holders, the deceased holder's interest in the account passes to the surviving registered holder(s). If there is more than one new holder and this box is not checked off, the registration will be treated as "Tenants in Common". Under such registration, in the event of the death of one of the registered holders, the deceased holder's interest in the account passes to the deceased holder's estate.

3 Direct Registration System

The Direct Registration System is a method of recording securities in book-entry form. Book-entry means the issuing company's transfer agent holds your securities electronically on your behalf without the need for physical certificates. Securities held in electronic, book-entry form have the same rights and privileges as securities held in certificate form. Check the box on the front if you **do not** want your securities to be held via Direct Registration, in which case a certificate will be issued.

4 Securities to be Transferred

- Enter (a) the number and class of shares, rights or warrants you wish to transfer or (b) the principal amount and interest rate of the bond, debenture or note (e.g. \$1000 bond redeemable 01/01/2000) you wish to transfer.

- Enter the name of the current holder(s), the name of the issuer of the securities and the certificate or account number. This information is detailed on the certificate or the securityholder statement/advice.
- If holdings to be transferred include securities held in a Dividend Reinvestment Plan ("Plan"), please include the actual number of Plan securities to be transferred. If all are intended to be transferred, please indicate "all Plan securities" which includes payments up to the date of transfer.

Certificated securities: If the securities are represented by certificate(s), the original certificate(s) must accompany the transfer request.

5 Reason for Transfer – For US Residents Only

Consistent with US Internal Revenue Service regulations, Computershare is required to request cost basis information from US holders. Please indicate the reason for requesting the transfer as well as the date of the event relating to the reason. The event date is not the day on which the transfer is processed by the transfer agent, but rather the date of the event which led to the transfer request (i.e. date of gift, date of death of the holder or the date the private sale took place). If the event date field is left blank, the transfer agent may default to the date the transfer is processed by the transfer agent. If this section is not fully completed, all transfers will be treated as Gifts unless Computershare receives documentation that this is a decedent transfer, in which case the transfer will be treated as an Inheritance. Computershare recommends that you consult with your tax advisor regarding the tax implications for each type of transfer.

6 Authorized Signatures

All of the current holders, or their authorized representatives, must sign the Securities Transfer Form. In addition, **all** such signatures must be guaranteed in one of the following methods:

Canada and USA: A Medallion Signature Guarantee obtained from a member of an acceptable Medallion Signature Guarantee Program (STAMP, SEMP, and MSP.) Many commercial banks, savings banks, credit unions, and all broker dealers participate in a Medallion Signature Guarantee Program. The Guarantor must affix a stamp bearing the actual words "Medallion Guaranteed" and containing a unique number with a letter prefix based on the dollar value of the security.

OR

Canada: The Guarantor must affix a stamp bearing the actual words "Signature Guaranteed", sign and print their full name and alpha numeric signing number. For a list of eligible guarantors, visit <http://www.stac.ca> for the *Securities Transfer Guidelines* under Best Practices (Page 4 lists the participating Schedule 1 Banks) or see "Need More Information?" below.

OR

Outside North America: For holders located outside North America, present the certificate(s) and/or document(s) that require a guarantee to a local financial institution that has a corresponding Canadian or American affiliate which is a member of an acceptable Medallion Signature Guarantee Program.
